New Point System and Qualifying Criteria: Club Professional will serve as Captain

10 Point System - Ties split points (ie...Two tie for 1st each receive 9.5 pts)
 Championship Flight scores will be awarded points prior to lower flights irregardless of score.

Top 7 automatically qualify and the Club Champion. The 8th place is Captain's pick.
 Captain's pick will be performance biased.
 Successive players (8, 9, & 10 etc...) will serve as alternates.

Ties for final places will be settled by Club Championship final score and then handicap holes.
