New Point System and Qualifying Criteria: Club Professional will serve as Captain

10 Point System - Ties split points (ie...Two tie for 1st each receive 9.5 pts)

Championship Flight scores will be awarded points prior to lower flights irregardless of score.

Player with low total score playing from same tees within flights earns the most points.

Top 7 automatically qualify and the Club Champion. The 8th place is Captain's pick.

Captain's pick will be performance biased.

Successive players (8, 9, & 10 etc...) will serve as alternates.

Ties for final places will be settled by Club Championship final score and then handicap holes.
