It has been reported that some members have been using oversize drivers. EMMGA requires that that USGA rules will be adhered to for league play. The maximum driver size is 480CC and players using drivers exceeding 480CC will be disqualified.

President Olson reported that the golf council is concerned about golfers driving too close to the greens and tee boxes. Golf carts must remain at least 30 feet from the greens and tee boxes when on grass. If you have a handicap flags this figure is reduced to 15 feet.
